

E. Main St. Concrete Repairs

Description: Repair of cracked concrete street and sidewalk panels.

Location: Main St. from Mentzer Rd. to the Dry Creek Bridge

Project Start Date: Monday May 22, 2023

Anticipated Completion Date: Friday June 30, 2023

Anticipated Impacts: Expect periodic lane and sidewalk closures as repairs progress. One lane and sidewalk on the same side will be maintained open at all times.

Funding Sources: Maintenance Bond
