

Street Maintenance Concrete Repairs

Description: Replacement of cracked concrete street and city-owned sidewalk panels.

Location: Woodland Dr. & Woodland Ct., Juniper Ave., Michelle Ave., Shelly Dr. & Eastview Dr., and Wild Rose Rd. & Twinleaf Rd.

Project Start Date: Monday July 31 to Friday August 4, 2023

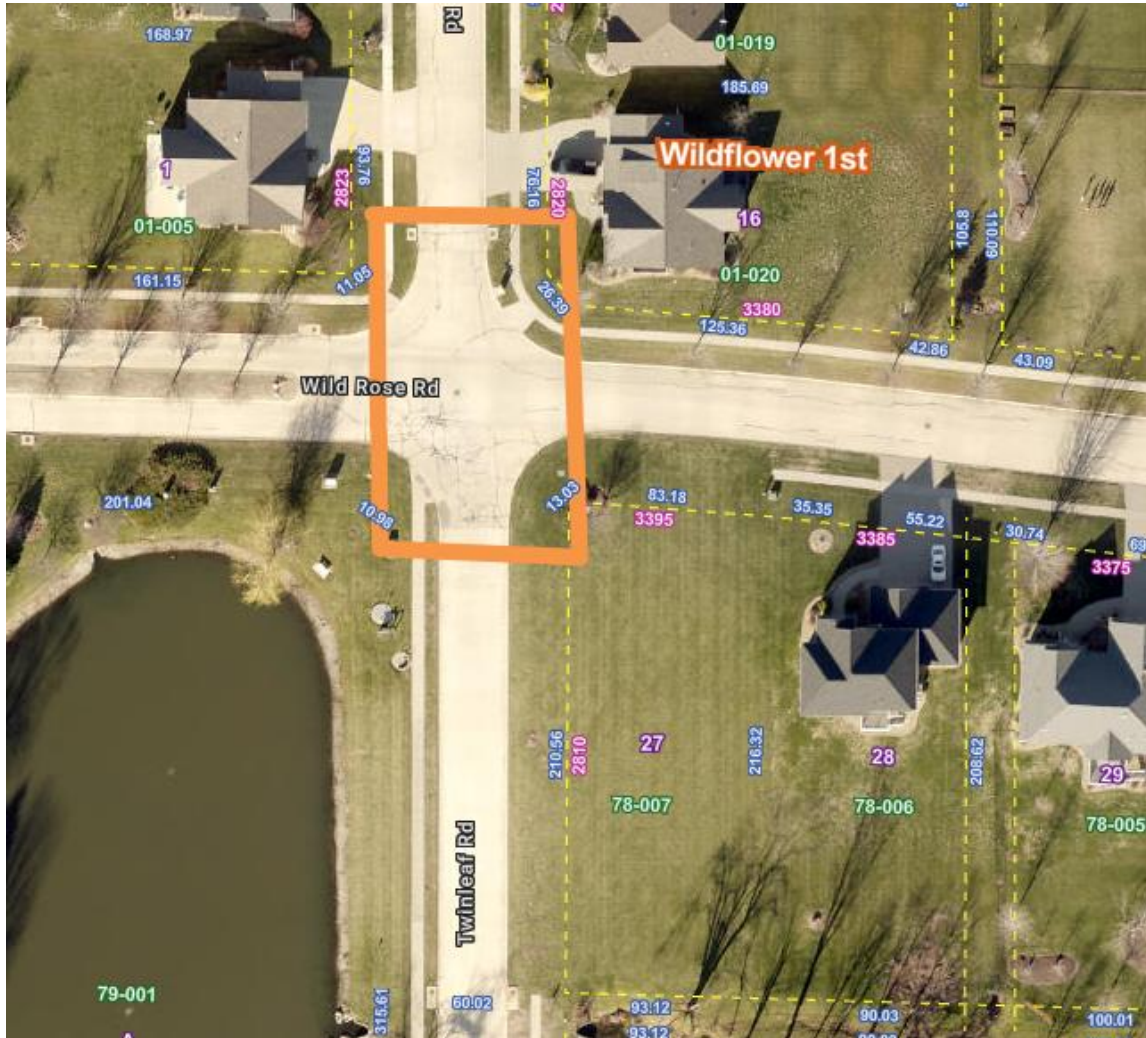

Anticipated Completion Date: Tuesday September 5 to Friday, September 8, 2023

Anticipated Impacts: Expect periodic lane and sidewalk closures as repairs progress. One lane and sidewalk on the same side will be maintained open at all times.

Funding Sources: Street Maintenance Budget
