(Code of Iowa, Sec. 657.3)

50.05 NUISANCE ABATEMENT. Whenever the Mayor or other authorized municipal officer finds that a nuisance exists, such officer shall cause to be served upon the property owner a written notice to abate the nuisance within a reasonable time after notice.¹

(Code of Iowa, Sec. 364.12[3h])

50.06 NOTICE TO ABATE: CONTENTS. The notice to abate shall contain:

(Code of Iowa, Sec. 364.12 [3h])

1. Description of Nuisance. A description of what constitutes the nuisance.
2. Location of Nuisance. The location of the nuisance.

50.07 METHOD OF SERVICE. The notice may be in the form of an ordinance or sent by certified mail to the property owner.

(Code of Iowa, Sec. 364.12[3h])

50.08 REQUEST FOR A HEARING. Any person ordered to abate a nuisance may have a hearing with the Council as to whether a nuisance exists. A request for a hearing must be made in writing and delivered to the Clerk within the time stated in the notice, or it will be conclusively presumed that a nuisance exists and it must be abated as ordered. The Council shall set a hearing date as soon as practicable after receiving a written appeal. At such meeting, the applicant shall be given an opportunity to be heard and show just cause why a nuisance does not exist or why an extension of time is needed. At the conclusion of the hearing, the Council shall render a written decision as to whether or not a nuisance exists. If the Council finds that a nuisance exists, it shall order the nuisance abated within an additional time which is reasonable under the circumstances. The hearing will be before the Council at a time and place fixed by the Council. The finds of the Council shall be conclusive and, if a nuisance is found to exist, it shall be ordered abated within a reasonable time under the circumstances.

EDITOR'S NOTE: A suggested form of notice for the abatement of nuisances is included in the appendix of this Code of Ordinances. Caution is urged in the use of this administrative abatement procedure, particularly where cost of abatement is more than minimal or where there is doubt as to whether or not a nuisance does in fact exist. If compliance is not secured following notice and hearings, we recommend you review the situation with your attorney before proceeding with abatement and assessment of costs. Your attorney may recommend proceedings in court under Chapter 657 of the Code of Iowa rather than this procedure.

50.09 ABATEMENT IN EMERGENCY. If it is determined that an emergency exists by reason of the continuing maintenance of the nuisance or condition, the City may perform any action which may be required under this chapter without prior notice. The City shall assess the costs as provided in Section 50.11 after notice to the property owner under the applicable provisions of Section 50.05, 50.06, and 50.07 and hearing as provided in Section 50.08.

(Code of Iowa, Sec. 364.12[3h])

50.10 ABATEMENT BY CITY. If the person notified to abate a nuisance or condition neglects or fails to abate as directed, the City may perform the required action to abate, keeping an accurate account of the expense incurred. The itemized expense account shall be filed with the Clerk who shall pay such expenses on behalf of the City. The person issuing the order to abate a nuisance may enter into any building or place for the purpose of entering into property to remove or abate any nuisance.

(Code of Iowa, Sec. 364.12[3h])

50.11 COLLECTION OF COSTS. The Clerk shall send a statement of the total expense incurred by certified mail to the property owner who has failed to abide by the notice to abate, and if the amount shown by the statement has not been paid within one month, the Clerk shall certify the costs of the County Treasurer and such costs shall then be collected with, and in the same manner, as general property taxes. If the Clerk is unable to certify the costs to the County Treasurer, collection may include referral to the debt collection program as administered by the Iowa Department of Revenue.

(Code of Iowa, Sec. 364.12[3h])

50.12 INSTALLMENT PAYMENT OF COST OF ABATEMENT. If the amount expended to abate the nuisance or condition exceeds five hundred dollars (\$500.00), the City may permit the assessment to be paid in up to ten (10) annual installments, to be paid in the same manner and with the same interest rates provided for assessments against benefited property under State law.

(Code of Iowa, Sec. 364.13)

50.13 FAILURE TO ABATE. Any person causing or maintaining a nuisance who shall fail or refuse to abate or remove the same within the reasonable time required and specified in the notice to abate is in violation of this Code of Ordinances.

50.14 NUISANCE PROPERTY. Property may be deemed a nuisance property upon a determination by the Building Official or designee that any of the following conditions is true with respect to the property; except where otherwise indicated, a final adjudication of any of the violations listed is not a prerequisite to a property being deemed a nuisance property pursuant to this section:

- A. Four or more calls for service from the Robins Police Department within a six-month period. Calls for service relating to medical calls, fire calls or domestic disturbances, unless they are directly related to criminal activity, shall not be included in the number of calls attributed to the property for purposes of this code section.
- B. Having two or more founded code violations within a twelve-month period. A code violation is founded if:

- (1) Upon inspection of a complaint an authorized City employee determines that a code violation or nuisance condition exists on the property or finds probable cause that such violation or condition has occurred.
 - (2) The Council affirms the existence of a nuisance on an appeal of an order to abate or other notice of violation.
 - (3) There is a finding by agreement or court order that a municipal infraction or nuisance condition exists or existed.
- C. The City has abated any condition on the property, including mowing and clearing snow or ice from sidewalks, two or more times during any twelve-month period.
- D. An order to abate has been issued by any authorized City employee for the same code violation two or more times within a twelve-month period. If said order to abate has been appealed successfully, that order to abate shall not be included in the number of orders to abate attributed to the property for purposes of this code section.

SECTION 2. Repealer. All Ordinances or parts thereof in conflict with the provisions of the Ordinance are repealed.

SECTION 3. Severability. If any section, provision, or part of the Ordinance shall be adjudged invalid or unconstitutional, such adjudication shall not affect the validity of the Ordinance as a whole or any section, provision, or part thereof not adjudged invalid or unconstitutional.

SECTION 4. This Ordinance shall be in full force and effect after its passage and publication as by law provided.

Passed and approved this 1st day of December, 2025.
